- Buttons
- High flow auxiliary hydraulics
- Information (Hour meter, Engine RPM, Battery voltage, Service codes, Service reminder, Maintenance clock)
- Press to operate loader
- Parking brake
- Beep when error, warning or shutdown condition exists

Same gauges, warning lights and other features as Standard Instrument Panel, plus:

- Engine oil pressure / temperature
- Hydraulic oil temperature
- Additional features
- Digital clock, date and time
- Attachment control information
- High Flow lockouts
- Help screens
- Engine/hydraulic systems shutdown function
- Icons
- Vitals (Engine speed, Oil Pressure, Temperature , System voltage, Hydraulic charge pressure, Oil temperature)
- Main screen
- Security
- Buttons
- Enter

- Gauges
- Fuel
- Bobcat Interlock Control System
- Two speed
- Warning lights
- Fuel level
- Seat belt
- Engine malfunction
- Lift and tilt valve, hydraulics lock-out
- Hydraulic oil temperature
- Hydraulic oil pressure
- Work lights and road lights
- Auxiliary hydraulics

- Traction lock override
- Rocker switch
- Alarm

Deluxe Instrument Panel

- Gauges
- Hydrostatic charge pressure
- Battery
- Keyless start with password capability
- User name and hourmeter
- Current job hours
- Multi-language display
- Diagnostic capability
- Password lockout
- Active warnings

- Service
- Attachments
- Display
- Left scroll
- Right scroll

Serviceability

Access is available to the following through the

rear door/tailgate and rear screen:

- Alternator
- Cooling system (engine oil and hydraulic oil coolers easily separable for cleaning)
- Engine oil drain and dipstick

• Starter

Bob-Tach™ pivots have replaceable wear bushings

Rod end of the tilt cylinder has a replaceable bushing

Tailgate is equipped with door-stop to hold door open while servicing

- Air cleaner
- Battery

• Engine oil and fuel filters

• Hydraulic oil fill and filter (access at the upper right side of the machine)

Axle hubs provide protection for the axle seals

Easy access to all grease points

Tailgate has an optional lock for vandal-proofing

Tip-up operator cab gives access to certain hydraulic system components
